Mac-Warehouse Named MountainWest Capital Network's 2018 Utah 100

Sandy, UTAH—Mac-Warehouse was named the 2018 Utah 100, MountainWest Capital Network (MWCN)'s annual list of the fastest-growing companies in Utah. Mac-Warehouse ranked 27 out of 100 companies and was honored at the 24th annual Utah 100 Awards program held at the Grand America Hotel in Salt Lake City.

"I am so proud of what we have been able to accomplish," said Brett Kitson, Mac-Warehouse's CEO. "We all constantly strive to improve the way we serve our customers. That is what reflects this rapid growth."

"We congratulate all of this year's Utah 100 companies for building outstanding businesses and making strong contributions to Utah's economy," said Reed Chase, chairman of the MWCN Utah 100 committee. "These companies further advance Utah's standing as an excellent place to do business."

Recipients of the Utah 100 were chosen by the percentage of revenue increase of each company between 2013 and 2017.

Mac-Warehouse was founded by Brett Kitson and James Roth in 2011, specializing in refurbished Apple products.
